

Guiding innovation

Welcome to Grove Business Park

We are a leading science, technology and commercial hub within the growing Oxfordshire Science Vale hotspot for enterprise and innovation.

Our current thriving commercial environment comprises a range of buildings providing office, warehouse, light industrial, R&D and leisure accommodation.

The proposed new development will add premium space suitable for technology, R&D, life sciences and light industrial uses.

Guiding growth

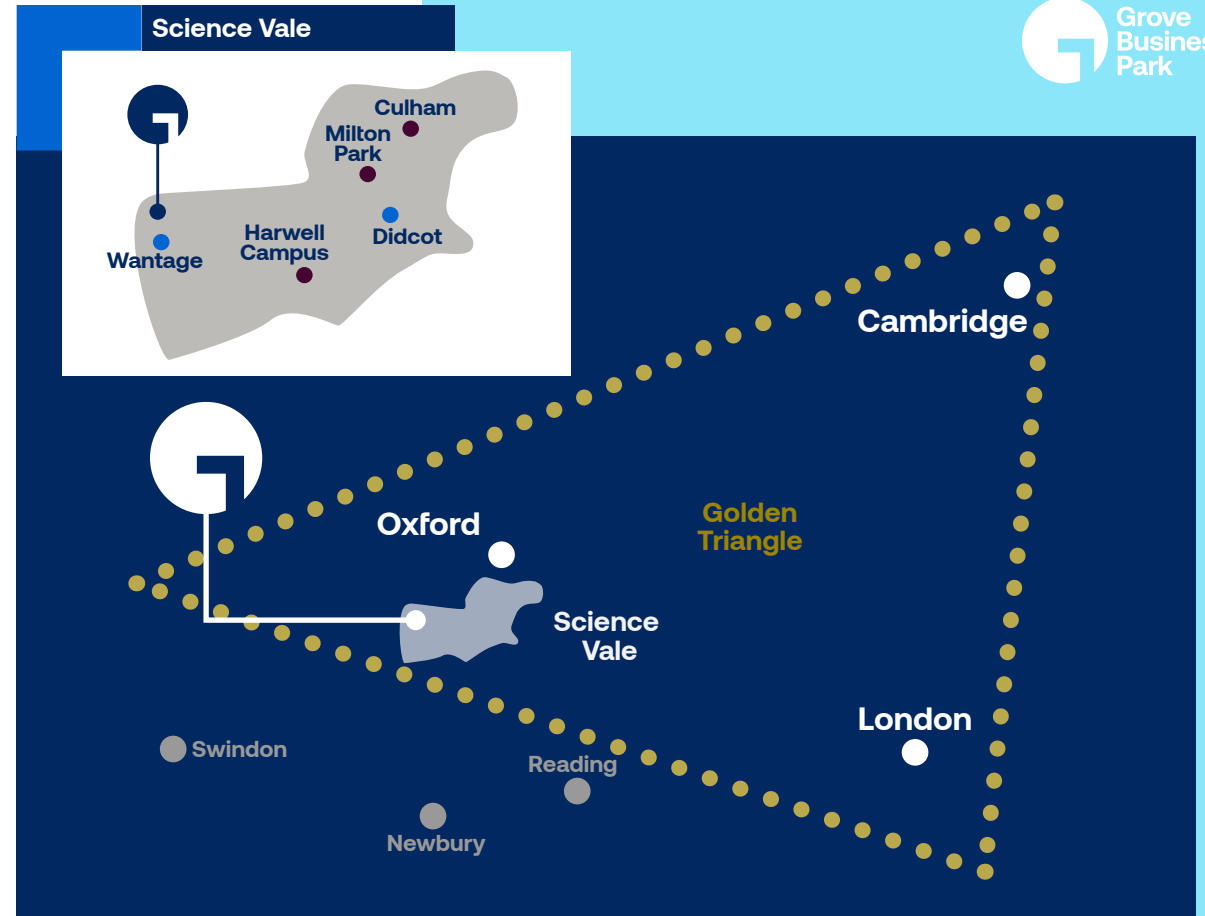

Located within the **'Golden Triangle'** of science and innovation, linking the universities of Oxford, Cambridge and London, the region has the highest concentration of science/ research facilities and development in Western Europe.

Grove Business Park, Wantage itself sits within the enterprise and innovation hub of the **Science Vale**, one of **the most important science and technology clusters in the UK**, which stretches across the Vale of White Horse and South Oxfordshire districts.

Named as Britain's **'housebuilding capital'**, Wantage and its surrounding environs is a growth area and offers a range of quality housing with around **7,500 homes under development in the immediate locality**.

Grove Business Park's additional **377,000 sq ft of new quality workspace**, providing flexibility in unit types and sizes, can **deliver around 2,000 more jobs**, building on the established success of the Park, which is home to an increasing number of science and technology companies.

The Park is a unique blend of an integrated environment and amenity with business and access linked to local community and residential opportunity.

Existing buildings

Grove Business Park currently comprises an established range of buildings in a landscaped environment with **over 260,000 sq ft** (24,150 sq m) of accommodation for commercial, warehouse, light industrial, R&D and leisure businesses.

Future development

Planning permission has been applied for up to 377,000 sqft (35,024 sqm) of new commercial space with up to 3.5 MVA of power having been secured. This also includes a detailed application for a first phase of buildings suitable for technology, R&D and lab uses.

Indicative CGI for central courtyard

Phase one development

Phase one

With an anticipated start on site in Q3 2024, **phase one** of new development will provide **80,583 sq ft** (7,486 sq m) of accommodation with two Tech Box style buildings, Logica, and a Hybrid style building, Sigma, suitable for office, lab and R&D users.

Attractive modern buildings designed for flexibility and tailored to high tech specifications, easily adapted to suit specific operational requirements.

Guiding innovation

A flagship building, set at the gateway to the Park with a mix of commercial space and facilities.

Indicative CGI for Gateway Building

Phase one

Logica

Two Tech Box style buildings with space available from 5,885 sq ft (546 sq m) to 31,053 sq ft (2,883 sq m) GIA.

Sigma

Hybrid style building suitable for office, lab and R&D users (Cat A office first floor, shell ground floor) arranged as four adjacent units from 5,310 sqft (494 sqm) NIA to 31,593 sq ft (2,935 sq m) GIA.

Generous power supply

PV solar panels

External or roof plant space

Covered cycle shelters

Up to 70 car parking spaces (25% EV charging)

First floor CAT A offices

Level access roller shutter door

Guiding sustainability

A lasting commitment

We're creating a sustainable work environment that meets the needs of 21st century science and technology. The new development is designed to deliver **BREEAM EXCELLENT** and feature enhanced landscaping and biodiversity with green amenity spaces and pedestrian priority throughout the park, which overall will create a special place to work and build a business.

Amenities

Grove Business Park offers some key amenities including a hugely successful 20,000 sq ft **gym and fitness centre**, a popular **food outlet** (with expansion plans) and a fully refurbished **serviced office facility** providing up to 348 workstations.

On-site catering

The outlet is operated by Valentine Food, a local business providing refreshments and freshly made food every day from a bacon bap to a vegan wrap. There is a planning consent to expand into a new modern facility later in Spring 2024.

Health & fitness

TFD, a family run, independent health & fitness gym with a relaxed atmosphere, provides memberships to suit everyone with more than fifty fitness classes every week and facilities including a swimming pool, sauna, steam room, sports massage therapy, hair salon and beautician and much more.

Serviced offices

Boston House

Boston House provides inspiring, flexible, ready-to-use work spaces. The centre provides 348 work stations of serviced office and co-working space along with meeting rooms, a business hub, and a tranquil courtyard garden combined with outstanding customer service, ample free parking, 24/7 access and state-of-the-art communal areas.

Guiding connections

Location and access

Grove Business Park sits at the north west edge of Wantage within the Vale of White Horse sector of Oxfordshire's expanding Science Vale hub. It has excellent access to extensive local residential accommodation and transport through the wider road and rail networks.

Whether it is east to London, north to Birmingham or west to Bristol, the area is well connected. Locally the new Wantage East Link Road (WELR) will bring access direct to the Park by-passing the historic market town centre.
